Populating the New Planet

2-Headed be conflicted;
12-headed drown
in chatter.

Dr Kevin likes 6,
calls ‘em “My 6-Paks.”

Though Lab can’t make up
many w/o the cash!

(As footnote, young PhDs
say odd-numbered =
better math.

Old researchers laugh at them.
Thus has it ever been in
our history of 5000 years.)
